

DARE TO EXPLORE!

FOREST(RY) TRAINEESHIP PROGRAM

OPEN CALL!

TRAINEESHIPS AT THE FOREST SCIENCE-POLICY-INTERFACE

The European Forest Institute (EFI), the International Forestry Students' Association (IFSA) and the International Union of Forest Research Organizations (IUFRO) are collaborating in a joint capacity development project on global student networking and green jobs in the forest sector. The Dare to Explore! Traineeship Program is an integral part of this project, which offers four specified, 3-months-traineeship opportunities each year for 2019, 2020 (postponed to 2021), and 2021. The trainee positions are intended to familiarize students of forest(ry) programmes with work at the science-policy-interface at the international level, including research, communication, and policy-relevant activities. With this open call, the hosting organizations are inviting applications by students (all levels incl. PhD) or recent graduates (not more than 1 year after graduation) from universities which have an IFSA group (LC). All traineeships are paid with a monthly remuneration of 1500 EUR. Any cost for visas, travel and accommodation on site will need to be covered by the applicant.

GOOD TO KNOW:

In the case of travel and other COVID-19 related restrictions, traineeships may take place remotely from the country of residence of the selected trainees.

The selected trainees are expected to take part in pre-and post-traineeship questionnaires to determine the level of preparedness prior to, and skills acquired during the traineeship. These questionnaires will inform a global study on the future of employment in the forest sector.

Supported by:

APPLICATION REQUIREMENTS

All students from Universities which have an IFSA Group (LC) are eligible to apply for a trainee position (**see the attached list for eligible Universities**). A letter from LC president confirming that the applicant is currently a LC member will be viewed as an asset.

Candidates can only apply for one of the below specified traineeship positions.

The following documents should be sent to lisa.prior@efi.int before Sunday, 13th of June, 2021 at 11:59 pm CET:

- **Motivation video** providing insights into how the traineeship suits the candidate's profile and future ambitions not exceeding 2 minutes. If videos cannot be sent as an attachment, please provide a link to the video (i.e. stored in a cloud drive or on YouTube)
- **Curriculum Vitae (CV)**
- **Verification of enrolment**
- **Letter of Membership verification** from LC president (if applicable)
- **Additional documents** if specified in the traineeship description

BE SURE TO:

- Send all documents as a single pdf.
- **Indicate the ID (DTE_XX)** of the traineeship you are applying for in the E-Mail header and file names! This ID is indicated on the top-right of the following pages.

CAPACITY BUILDING – SETTING UP THE IFSA TREE-LEARNING PLATFORM

Traineeship at the EFI-IFSA-IUFRO Project in Bonn, Germany.

The **EFI-IFSA-IUFRO joint Capacity Development Project** on Global student networking and green jobs in the forest sector is investigating the transforming employment trends in the forest sector. It puts special focus on the perspective of students and recent graduates from around the world. It further explores ways to prepare future foresters for the expected changes in employment and related skills.

We are looking for a Trainee for 3 months **ideally starting in mid-July 2021** to assist the project staff and the IFSA TreE-learning sub-commission in enhancing IFSA's capacity building efforts, through the setup of the IFSA TreE-learning platform.

WHAT WE OFFER:

- Duty station at the EFI Bonn Office, Germany
- Work in a young, international and highly motivated team
- Connecting to students from around the globe in the IFSA network

YOUR TASKS WILL INCLUDE:

- Plan and set up framework for IFSA TreE-learning platform
- Structuring IFSA's existing content
- Coordinate the development of soft skills trainings for the TreE-Learning platform
- Collect list of existing (free) external content (possible link to GFIS)
- Closely working with IFSA's Head of TreE-learning Sub-Commission
- Define future steps (workplan for Sub-commission in IFSA 2021/22 term)
- Contribute to a video project with IFSA to highlight different career opportunities in the forest sector

WHAT WE SEEK:

- Independent working and research attitude
- Excellent written and spoken English skills
- Experience in the IFSA network is an asset
- Experience in WordPress is an asset

FOREST(RY) TRAINEESHIP PROGRAM

ID: DTE_02

PLANNING OF THE INTERNATIONAL FOREST POLICY MEETING (IFPM4) 2022

Traineeship at the EFI office in Bonn, Germany.

EFI Bonn is the vibrant and growing office of EFI in Bonn/ Germany, hosting EFIs Governance and Resilience programmes, amidst of the UN-Sustainability-Campus.

EFI Bonn is calling for applications for a **6-months** (!) trainee position, starting in **December 2021**.

The trainee will be supporting both the conference content and organisational teams (Governance Programme) in organizing the 4th International Forest Policy Meeting, that will take place in late April 2022.

The International Forest Policy Meeting is a biannual event addressing forest and forest-related issues from a social science perspective.

WHAT WE OFFER:

- Duty station at the EFI Bonn Office, Germany
- Work in a young, international and highly motivated team
- Opportunity of networking and improving organizational skills as part of the conference management team
- Engagement in the field of communication, publication via different EFI channels

ADDITIONAL DOCUMENTS REQUIRED FOR APPLICATION:

- A short writing sample (e.g. Paper, blog entry, social media threat)

YOUR TASKS WILL INCLUDE:

- Assisting in organizing of an international conference involving a broad range of activities from logistical duties to content preparation
- Creating and running a program for engaging early careers (MSc and PhD) researchers in the conference
- Communication in form of social media publicity and blog posts
- Assisting in documentation and reporting of the conference

WHAT WE SEEK:

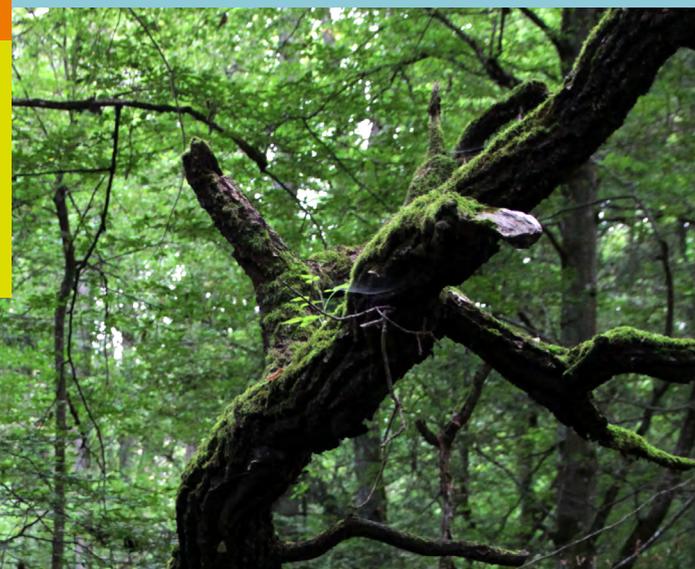

- Excellent written and verbal communication skills in English language
- Independent working and research attitude
- Experience in organizing events (e.g. workshops) is an asset
- Ability to liaise with a wide range of people

FOREST(RY) TRAINEESHIP PROGRAM

ID: DTE_03

ENGAGEMENT TEAM ON “GENDERING FSC: WHERE WE STAND AND WHERE WE WANT TO GO”

Traineeship at FSC International in Bonn, Germany.

You will be working at FSC International analysing the state of the art (FSC's internal documents and documents of other organisations). You will be part of a very dynamic and diverse group of colleagues working in the Director General's office (Called Engagement Unit). You will also work with the Diversity & Gender Task Force.

The preferred starting for the 3 month traineeship date would be from **mid-July 2021**.

In 1998 FSC had the first references to gender issues in the standard, and now we are asking ourselves: What does it mean. You will help us to find out, and to recommend where to go: “Gendering FSC: Where we stand and where we want to go”

WHAT WE OFFER:

- Work in an international, highly motivated team, with colleagues from more than 35 countries from all over the world
- Guidance and mentoring from senior researchers and colleagues and experts with diverse backgrounds.
- Opportunity to include your work as part of a Green Paper on Diversity & Gender to be developed between August and October 2021

ADDITIONAL DOCUMENTS REQUIRED FOR APPLICATION:

- A short writing sample (BSc/MSc Thesis, Paper, blog entry, proposal, or similar)

YOUR TASKS WILL INCLUDE:

- Help us identify areas for improvement regarding our Diversity & Gender work “from the forest to the market and beyond”
- Dig deeper into FSC Forest Management Standards, learning what they say about diversity & gender, and how this is audited and analysed
- Conduct literature research to identify development areas within FSC
- Prepare reports and presentations, reflecting the outcomes of your work
- Help identify what FSC can learn from other organizations such as IUCN in this respect
- Participate in events of your area of interest and relevant for FSC and prepare summary reports - reporting back and sharing what you have learned
- Daily interaction with colleagues with diverse areas of expertise and willing to share their insights and perspectives regarding the past, present and future of FSC!

WHAT WE SEEK:

- Independent working and research attitude
- Excellent written and spoken English skills
- Experience with academic research
- Critical thinking skills and ability to synthesize complex ideas, analyze information from several sources, and reflect on data and information
- Service and solution-oriented attitude to work
- Proactiveness and high level of engagement
- Good time management skills
